

The FAA Safety Team presents:

# Charlotte Motor Speedway Helicopter Safety Conference

Attention all Mid-Atlantic Helicopter pilots! Join us for the very latest information on the safety issues facing the rotorcraft industry presented by some of the top industry experts in their field. A panel of experts from the FAA Safety Team, CLT FSDO & ATC, North Carolina State Aviation, and Helicopter Association International (HAI) will discuss regional issues affecting helicopter pilots, accident trends, personal risk assessment, safety initiatives, and many more topics relevant to all pilots. This is an extraordinary gathering of the rotorcraft community in one place. Don't miss this unique opportunity to learn, share with your peers, ask questions, and have your voice heard. What you learn, can save your life!

**Directions:** Media Center. Enter main gate and then turn left. Follow service road to gate 26. Advise security that you are proceeding to the media center for the Helicopter Safety Meeting.  
All Attendees will have to sign a Track Waiver to enter.

#### **A message from the National FAASafety Team Manager**

Invite a fellow pilot to the next WINGS Safety Seminar in your area  
Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
